

A 3D rendered white figure stands on a reflective surface, holding a stack of papers in its right hand. A red dart with a silver tip is flying from the left towards the figure. The background is plain white.

Iowa Aging Issues Mediation Project

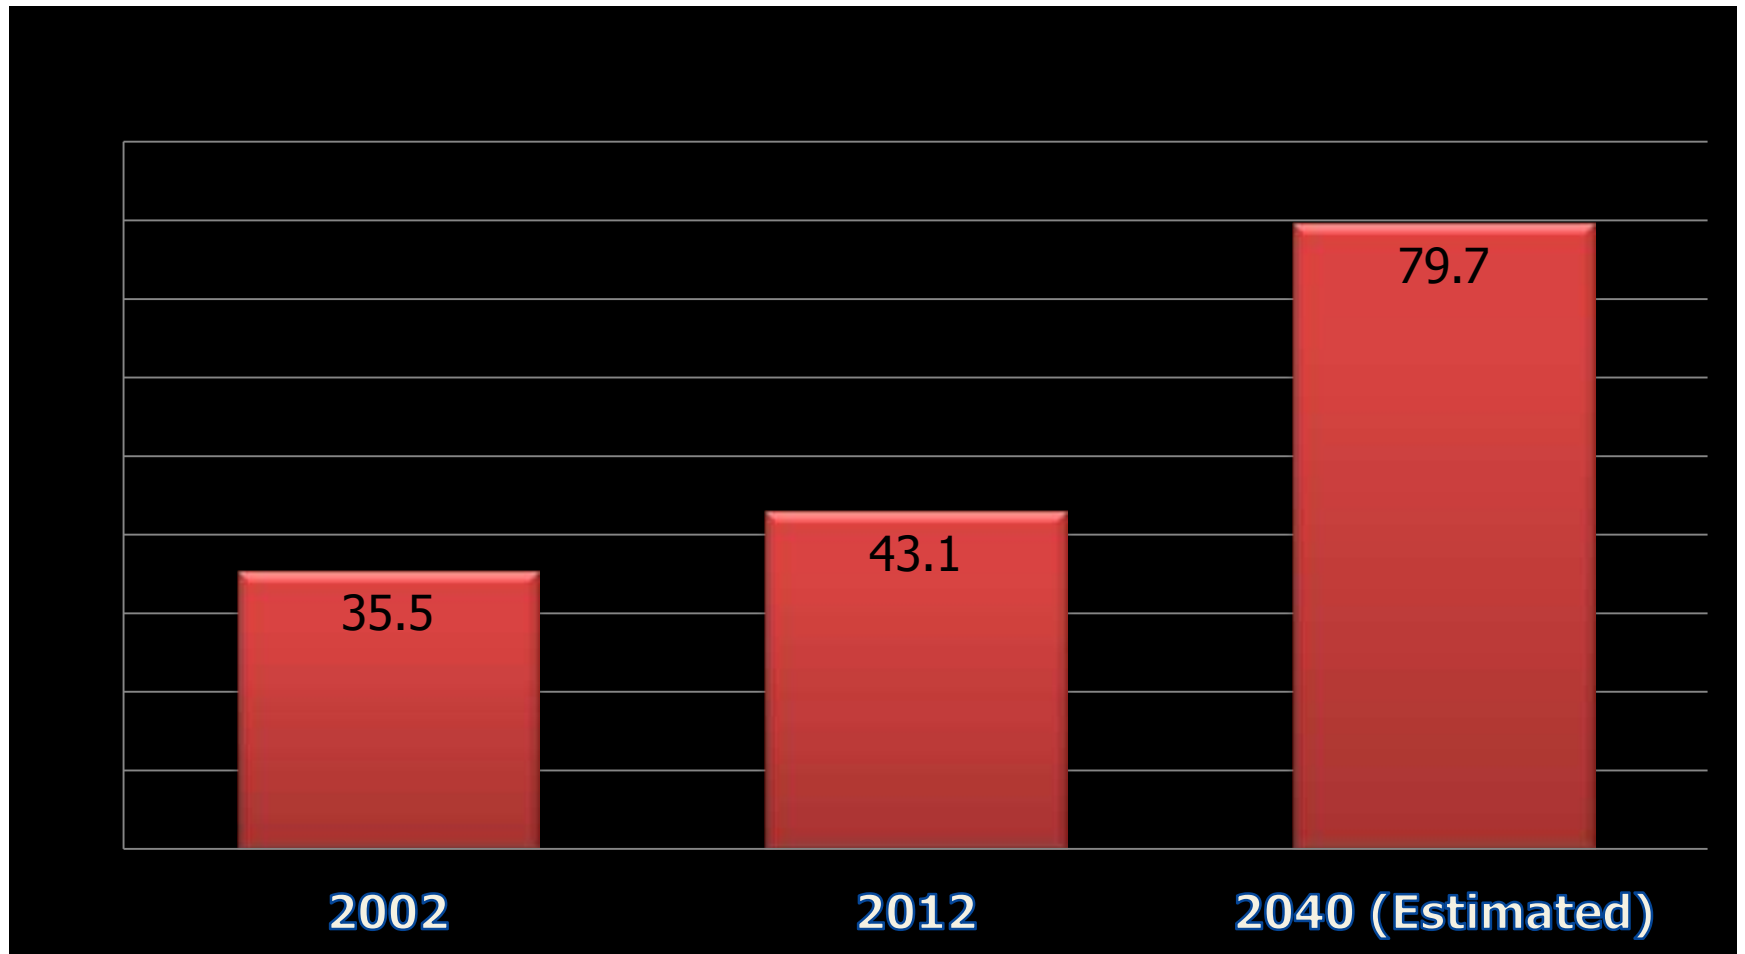

Targeting Family Conflicts

Our Presentation

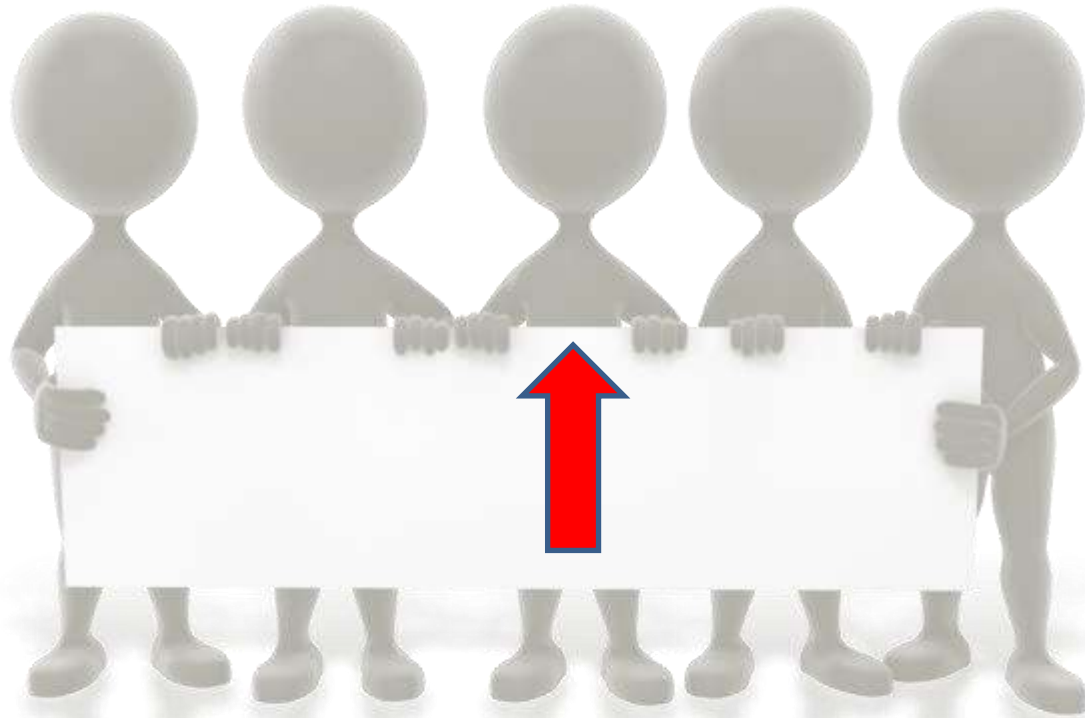

Million Americans 65+

1 in every 7 Americans is 65+

By 2030 1 in 5 Americans will be 65+

1 Of every 5 lowans is over 60

Aging can be overwhelming

Or Frightening

But Always Brings Choices

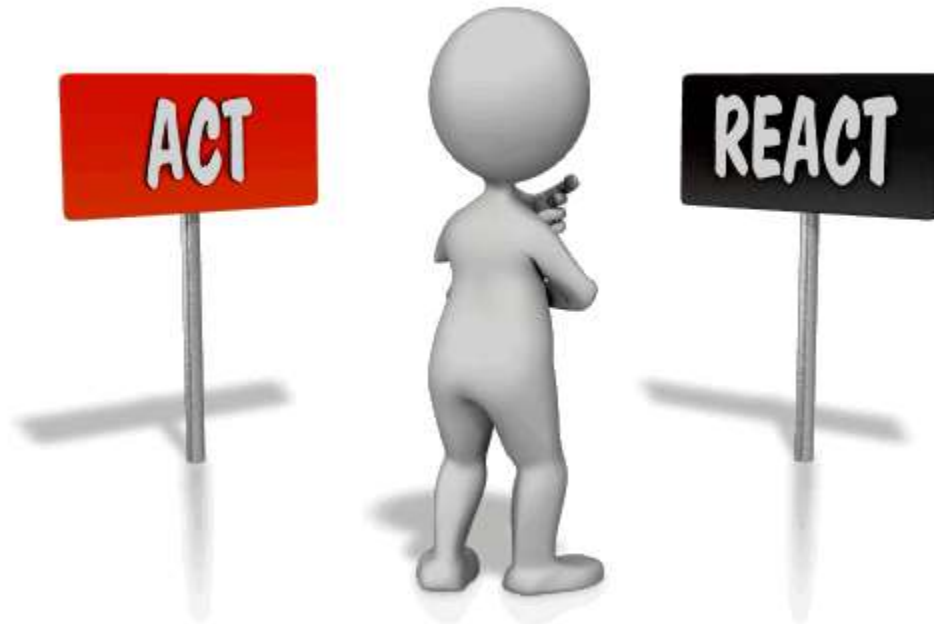

CARL GIVERS

A 3D rendered white figure stands on the word "CARL GIVERS", which is written in large, bold, red, sans-serif capital letters. The figure is positioned between the 'L' and 'G'. The figure has a large, spherical head and is holding a small black object to its ear with its right hand. The entire scene is set against a plain white background with a subtle reflection of the text and figure below.

Decisions impact families

Priorities May Differ

People are put in the middle

Conflicts can be explosive

Sometimes ending in court rooms

The Litigation Process

The Mediation Process

Mediation provides a better process

Mediation has advantages

The mediator provides leadership

The Mediator does not make decisions

Helps design sessions

Helps arrange supports

Provides structure for meetings

Focuses on issues

Supports full participation

Encourages positive attitudes

Supports looking at options

The family finds the solution

The Iowa Experience

Mediation fits Iowa issues

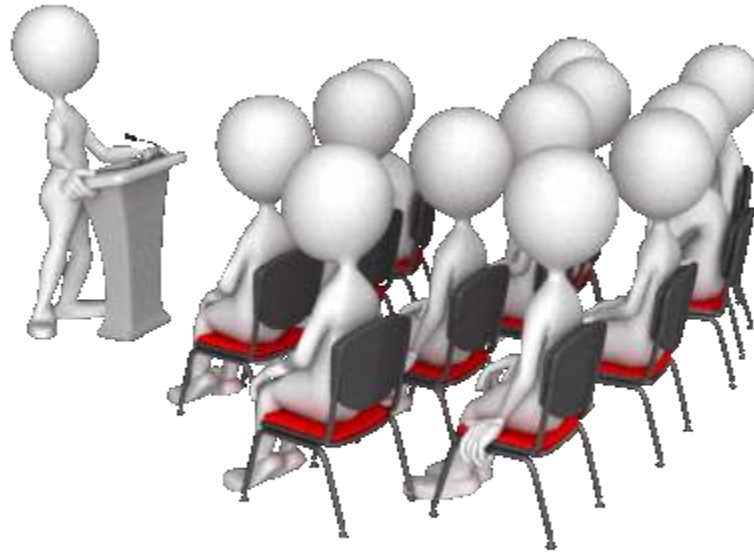

The Mission of the Iowa Department on Aging is to develop a comprehensive, coordinated and cost-effective system of long term living and community support services that help individuals maintain health and independence in their homes and communities

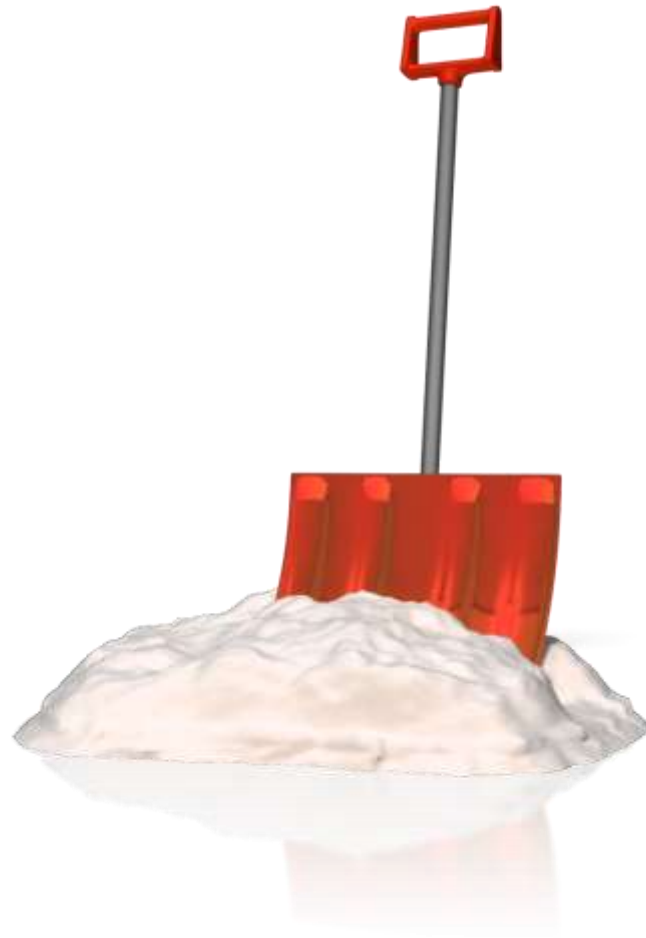

Promoting the understanding and use of mediation in Iowa
