

## What Is It?

**IndependentChoices** is a special project that gives you a chance to direct your care at home with a monthly allowance in place of personal care services. The results of the project will shape home services in the future.

**IndependentChoices** is a new way to receive help with your personal needs at home:

- ♦ You are in control
- ♦ You decide who works for you —  
Perhaps a friend, neighbor or relative
- ♦ You decide when you want services
- ♦ You pay for your services with the allowance you receive

## Who Can Apply?

Anyone who:

- ♦ Is receiving Medicaid
- ♦ Is 18 or older
- ♦ Needs personal care
- ♦ Wants to be responsible for their services

## How Does It Work?

Tell us you are interested by calling us at 1-888-682-0044 or mail the attached card. We will explain the project and help you enroll, if you choose.

Only 3500 people in Arkansas can enroll and only half of those will receive a monthly allowance. Everyone enrolled will help shape the future for home services.

## What If I Need Help?

An **IndependentChoices** partner will help and support you in getting what you need.

YOU decide the amount of help you need. Your partner can —

- ♦ Give guidance and advice
- ♦ Pay your bills as you direct
- ♦ Manage your employees' payroll

## If You Want.....
